Accreditation & Ticketing

- **Accreditation/Ticketing:** General admission passes will be allocated as follows: One pass per rider, one pass per groom (one groom per horse), one pass for the registered EA horse owner and one other pass for a family member or partner. This entitles the bearer to free entry to the venue and to the seating stands at all times. Accreditation (in the form of wrist bands) will be issued at the venue to riders and grooms. No additional passes will be allocated for horses owned by multiple owners or syndicates unless approved by the Event Director.
- On days when an admission fee is charged, any person who presents at the venue entrance without a pass or wrist band will be charged the gate admission fee. A refund will be provided from the Event Office for those entitled to free admission (e.g. grooms, owners etc). Competitors/grooms/owners arriving with horses in tow will not be charged a fee.
- Registered horse owners (where not the rider) will be able to access tickets online prior to the event. These may be replaced for wristbands at the venue if stable access is required. If owners intend to travel to the venue with their horses they can collect accreditation from Wed at the Rider Info Office.
- There will be tight control on the issue of wrist bands issued during the event. One groom per horse applies for the duration of the event and no swapping permitted.
- A section of seating will be reserved for riders/grooms/owners (inc for Sat night). Once full, standing room applies.
- To purchase Top Spot Marquee or Saturday Evening dinner tickets check the website. www.sydneycdi.com.

- EA Stallion Safe Practices apply, all Stallions must be identified as per the guidelines.
- **Whips:** CDI 1*/3*, U25, CDIY, CDIJ, CDIP: It is, under penalty of elimination, forbidden to carry a whip of any kind while competing. However, the use of one whip, with a total maximum length of 120cm for horses and 100cm of ponies, in the practice area is allowed. The whip must be dropped before entering the space around the competition arena or a penalty will apply (Art. 434.4). Only riders, or grooms when riding, walking or lunging a horse, are allowed to carry a whip on the show grounds

Stabling

- CDI 1*/3*, U25, CDIY//P: International Rules require horses to remain in the competition grounds for the duration of the event (from the "trot-up" until the horse has finished competing). This rule does not apply to horses taking part only in National competitions.
- Owners/riders who have booked stables for more than one day but are taking their horses home at night must advise the stable manager. CDI horses must remain on the grounds at all times. Stable cost \$55 per day.
- Horses are not to be moved without permission from the Stable Manager.
- Stallions must be either stabled or always supervised if tied to a truck or float.
- Stables are to be booked at the time of entry. All horses staying overnight must be stabled. For safety reasons, we recommend that competitors book a stable for their horses. All stables will be empty on arrival and must be completely cleaned out on departure. Please note any special requests for stabling near other horses/riders on the entry form. Changes to arrival/departure days will incur a fee.

Bedding is not provided. Shavings can be purchased with your entry, refer entry form (cost \$20 per bag). Please note stables have rubber on the floor reducing the bedding required 4-6 bags is sufficient depending on your preference and number of days. Please place order for shavings with your entry to avoid unnecessary delay in getting stables ready for horse arrivals. Placing orders for bedding on the day of arrival creates additional work for the stable manager and venue staff at a very busy time. **Competitors may not bring their own bedding unless approved prior by the venue management.** Please email: toni.venhaus@bigpond.com and include the type of bedding to be used and a Vet certificate, this will be forwarded to SIEC for approval. Bedding that is not accepted by the waste removal company for composting must be taken away by the competitor.

- A compulsory \$150 stable bond applies with each stable booking which will be refunded after the event. All stables must be inspected prior to departure and locked by the stable manager for a "clean pass".
 - o A stable cleaning service will be available from the stable manager.
- Tack Rooms: Share tack rooms in each aisle will be allocated for general tack storage for all competitors to share/use (these are not to be locked). Competitors wishing to have their own private tack room can request same at a cost of \$70 per day. The number of tack rooms available is limited and private tack rooms may not be considered for competitors staying for less than three days. Competitors are encouraged to consider sharing with a friend. Preference for tack rooms will be given to riders with two horses or more. Please indicate request and include payment on entry form. Please sweep clean on departure, if tack rooms are not left completely clean, competitors will be charged a \$150 cleaning fee. All stables must be inspected prior to departure by the stable manager for a "clean pass".
- Private Tack rooms: A compulsory cleaning fee will not be charged at time of entry but failure to pay for tack room cleaning post event will result in entries not being accepted in the future for any events conducted by DNSW.
- No temporary yards of any kind are allowed. Day yards are available in the North car/camping area. Horses may not be left in day yards over night.
- Day parking with wash bays and amenities in P1 Parking area above the main arena 1, cost is \$30 per day.

Camping & accommodation

- Camping facilities: These are available on the grounds. All sites are powered. There are good shower and toilet facilities with hot and cold water for males and females in both north and south camping areas. Sites nearest the stables will be allocated firstly to competitors staying for the longer periods. All camping vehicles must have an approved lead connecting to power outlets. Please note SIEC charges for every power lead connected to power so if you have more than one lead connected to a power outlet you will need to pay for 2 camp sites and camp in the North Camping area due to lack of power outlets in the South Camp Area. Please indicate the number of outlets you require on the camping booking. Camping cost \$55 per night. Large semi trailers will be located in the P3 or North Camp area.

The riding of electric powered scooters is illegal on public roads in NSW and not permitted at SIEC. If riding a bicycle or non-powered scooter at SIEC helmets are mandatory.

HEALTH & SAFETY ALERT

ELECTRIC SCOOTER USE AT NSW EQUESTRIAN EVENTS

WHAT HAPPENED

At a recent event, a person riding an electric scooter during an event at SIEC lost control and was ejected from the scooter. They sustained serious abdominal injuries and underwent emergency surgery.

ROOT CAUSE: FOLLOWING INVESTIGATION

Electric scooters are increasingly being used to travel around the grounds at equestrian events with most people being unaware that they are illegal for use except on private property.

SIEC, AELEC, Public Showgrounds, etc are **NOT** Private Property.

NSW Police have issued the flyer on the right to clarify electric scooter use within NSW.

ACTIONS REQUIRED

- Competitors and their support teams must not bring electric scooters, hoverboards or electric skateboards to equestrian events held on public property.
- Mobility scooters designed for the mobility impaired are allowed.
- Bicycles, motorised bicycles and unpowered scooters are allowed – a helmet must be worn.
- Where events are held on Private Property check with the event coordinator to determine whether electric scooters are permitted under their event risk management plan prior to bringing them to the event. If allowed wearing a helmet would be recommended.

Issued by
Virena Peacock (Acting CEO)
January 2023

MOTORISED WHEELED DEVICES

Devices such as electric scooters, skateboards, and hoverboards are **ILLEGAL** in NSW.

Although a motorised scooter, skateboard, or hoverboard (electric or petrol powered) are considered motor vehicles, they do not satisfy the Australian Design Rules and for this reason, cannot be registered in NSW and are unable to be insured.

These devices cannot be ridden on roads, or road related areas (such as footpaths shared paths and cycleways) in NSW, except on private land.

Anyone caught riding a motorised device on a road or road related area in NSW can face fines starting from \$723

Welfare of the Horse – FEI Code of Conduct

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

A copy of this code of conduct for the welfare of the horse is available on the [FEI Website](#) and included in the FEI Dressage Rules, pages 5 - 7.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. **The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.**
